## Michael Faraday: A Very Short Introduction (Paperback)

By Frank A. J. L. James

Oxford University Press, United Kingdom, 2011. Paperback. Condition: New. Language: English. Brand new Book. Michael Faraday is one of the best known scientific figures of all time. As well as introducing his scientific research, he also puts Faraday in the various institutional contexts in which he lived and worked, including the Royal Institution, the Royal Society, Trinity House, and other agencies of the state. James therefore provides a commentary on the rapidly changing place of science in nineteenth-century society, especially in regards to its role...
